

## PPA Imaging Excellence Bar recipients

---

The **Imaging Excellence Bar** was created to honor rare accomplishments in PPA competition. Such a rare accomplishment will be designated by the IE Bar for every 13 additional Loan Merits earned. Both the Award and the Bar have been exquisitely designed by PPA member Kaye Frey and will be distinguished by their black lacquer finish with a central stone and gold trim.

The first IE Bar was presented in honor of Buddy Stewart, M.Photog.Cr, F-ASP, having earned the required number of Loan Merits, and was received by his wife, Lola at IUSA in Tampa, FL.
